

CHARGING YOU FOR ACA RELATED SERVICES

Due to turmoil in the ACA Exchange Marketplace, a one time fee is temporarily required.

You will receive year round customer service and assistance with questions.

You'll get direct help and 1st priority with claims or medical billing.

We will let you know if your plan changes, and when it's time to review it.

WHAT YOUR PAYMENT DELIVERS TO YOU

CHARGING FOR OUR BEST SERVICES

In a perfect world, the major insurance companies would pay us to serve our clients in need, and agents would be compensated for their time. Unfortunately, the health insurance companies have decided to take away our compensation for the foreseeable future. Yes, you will be charged for our time temporarily. But don't worry. You will be receiving the best in class treatment and advisement.

\$249 individual charge for enrollment and year of service
\$499 family charge for enrollment and year of service
